He Whetu o te Moana Our Lady Star of the Sea School is an integral part of the Catholic Parish and community of the local area of Howick, surrounding suburbs and semi-rural areas. Our school is proud of its rich history dating back to 1847, as one of the oldest schools in New Zealand.

At He Whetu o te Moana Our Lady Star of the Sea School every activity is underpinned by strong Gospel values of tika / justice, awhina / service, ngawari / resilience, maia / courage and manaaki / respect. These form part of everyday activity and language, at both school and home. The School's strong Mercy and Mission charism permeate all aspects of the school's life.

Our school is seeking to appoint a Principal who is a visionary and spiritual leader. Our new principal will be a person with vibrant faith, an empowering educator who brings out the best in everyone within the school community, and can lead learning with a clear focus on excellent outcomes for all students across the learning continuum. We are looking for an educational leader who demonstrates knowledgeable and purposeful leadership in relation to collaborative inquiry learning. She or he will be committed to creating a culture that provides an enjoyable and stimulating environment for all learners, both adults and students.

Willingness and ability to participate in religious instruction appropriate to the special character of the school is a condition of appointment.
