As a safe and responsible user of ICT I will help keep myself and other people safe by agreeing to and following these rules:

1. I will only go onto a device when I have permission from a staff member.
2. I will store the device in the classroom cupboard when it is not in use/during a break time.
3. If I'm allowed my own device at school, I will not let other people use it.
4. I will only access websites and download items that I have been given permission for.
5. I will never share my 'YAPPY' online. (*Your full name, Address, Phone number, Password, Your plans*)
6. I will tell my teacher or my parents if I or my friends access anything on the internet that makes me, or my friends feel uncomfortable or unhappy.
7. I will tell my teacher or my parents if anyone is unkind to me online.
8. I will only use a device at school for school related learning experiences.
9. I will never access anyone else's accounts and change their personal information.
10. I will never use a device to be mean, rude, offensive, or to bully, or in any way harm anyone else connected to our school, or the school itself, even if it is meant as a 'joke'.
11. I understand that my email is a school email and should not be used for personal emails, messages or for signing up for anything that is not school approved.
12. I will not use my device when using public transport between school and home.
13. I will not use my device at school, unsupervised, whilst waiting to be collected.

I understand that being allowed to use a device at school is a privilege. I understand that if I break any of the rules above then the device will be removed from me for a specific amount of time and my parents will be notified of what I have done.
