

Free Home Fire Safety Visit

Your Child/Children have been completing FireWise at school and now we want to make sure you and your family are fire safe at home. If this programme has raised questions for you and your family about fire safety, you need help with smoke alarms or just want to make sure your home is safe. Fire and Emergency NZ are offering a **FREE** Home Fire Safety visit.

This involves a quick visit from your local fire fighters, they come to your home and provide advice on a range of fire safety topics including smoke alarms, multi boards, heaters, electric blankets, safe cooking practices and escape plans. They may also be able to provide and install a smoke alarm for free if you do not have one.

If you would like a free Home Fire Safety Visit, please complete, and return the form below to your classroom teacher.

OR

If you would like a free Home Fire Safety Visit, please complete the below form and scan to countiesmanukau@fireandemergency.

You can also request a visit by calling 0800 693 473 or via our website www.fireandemergency.nz/hfsv
