To ensure effective school performance, the board is committed to maintaining a strong and effective governance framework that incorporates legislative requirements and good practice.

The following are the board's agreed governance and management definitions which form the basis upon which both the working relationships and the board's policies are developed.

<p>Safeguarding the schools Special Character, providing a safe environment and the ongoing improvement of student progress and achievement is the board's focus.</p> <p>The Board acts in a stewardship role and is entrusted to work on behalf of all stakeholders. It is accountable for the school's performance, emphasises strategic leadership, sets the vision for the school and ensures compliance with legal and policy requirements.</p> <p>Board policies are at a governance level and outline clear delegations to the principal. The Board and Principal form the leadership, with the role of each documented and understood. The Principal reports to the Board, as a whole, with committees used sparingly and only when a need is identified in order to contribute to board work.</p> <p>The Board is proactive rather than reactive in its operations and decision-making and does not involve itself in the administrative details of the day to day running of the school.</p>	<p>The Board delegates all authority and accountability for the day-to-day operational organisation of the school to the principal who must ensure compliance with both the Board's policy framework and the law of New Zealand. Attendance of the General Public at Board and Board Committee Meetings

Procedure

(from Ron Mulligan NZSTA Helpdesk March 2006)

1. Board meetings are meetings held in public, they are not public meetings. Members of the Board's staff are entitled to attend Board and Board Committee meetings as members of the public. They have the same rights and are subject to the same restrictions as any other member of the public.
2. In respect of meetings of the Board of Trustees or Committees of the Board, members of the public are:
 - Entitled to know in advance when and where meetings are to be held;
 - Entitled to copies of the Agenda in advance of the meeting. This includes copies of all written reports and other documents that are relevant to matters to be discussed in open meeting;
 - Entitled to attend the meeting to watch and listen;
 - Entitled to take notes;
 - Not entitled to take part in the meeting by word or action;
 - Required to leave the meeting if the Chairperson believes, on reasonable grounds, that the member of the public's behaviour is likely to prejudice the orderly conduct of the meeting;
 - Likely to be removed by a constable at the request of the Chairperson if they are disruptive and do not comply with the Chairperson's instructions when an effort is being made to maintain order in the meeting room;
 - Not entitled to communicate with the Trustees during the meeting unless the trustee leaves the meeting (and preferably the room to cause the minimum disruption to the meeting);
 - Required to leave the meeting room when the meeting goes "in committee";
 - Entitled to return to the room when the meeting comes "out of committee".
3. Any Board of Trustees wanting further clarification or advice on any of the above should contact the NZSTA National Office helpdesk on 0800 782 435. STA News Volume 3 Number 8, Issue 49, September 1994.

- Speakers shall not be disrespectful, offensive or make malicious statements or claims;
- If the Chairperson decides a speaker is any of those or has gone over time the Chair can order a speaker to stop and sit down.

Receiving deputations

In these cases there may be matters which are not on the Agenda but the subject shall be advised to the Chairperson in advance.

- Unless otherwise decided, no more than two members of a deputation shall address the Board.
- After the speakers have been heard they may be questioned about pertinent matters but Board members shall not react in any other way until submissions have been heard and all questions answered.

Receiving petitions

In these cases there may be matters which are not on the Agenda but the subject shall be advised to the Chairperson in advance.

- Petitions should be no longer than 500 words.
- If a Board member is presenting a petition on behalf of petitioners they should confine themselves to the reading of the petition and the statements of the parties from which it comes and the number of signatures attached to it.

Wording for Excluding the Public from a Board of Trustees meeting

General Wording

I move that the public be excluded for Agenda items pursuant to Section 48 of the Local Government Official Information and Meetings Act. The reason being to discuss a matter of and the ground is

(If the matter to be discussed is personnel the ground is to protect the privacy of the individual. If the matter to be discussed is the selection of a tender the ground is the matter is commercially sensitive).

Wording for discussing who to appoint to fill a casual vacancy

I move the public be excluded for Agenda item pursuant to Section 48 of the Local government Official Information and Meetings Act. The reason being to discuss the matter of Board of Trustees personnel and the ground is to protect the privacy of individuals.

Wording for discussing a personnel (staff) matter

I move that the public be excluded for Agenda item pursuant to Section 48 of the Local Government Official Information and Meetings Act. The reason being to discuss a matter of personnel and the ground is to protect the privacy of individuals.

Wording if a member of the public (in the matter to be discussed with the public excluded) is to remain due to their expertise in that matter

I move that (field of expertise) be permitted to remain at this meeting after the public has been excluded, whilst the Board discusses a matter because his/her knowledge on the matter to be discussed will assist the Board.

For example, if the Board was discussing a personnel matter the resolution would be “I move that Eric Woodward (NZSTA Industrial Adviser) while the Board discusses a personnel matterassist the Board.”

If the Board was considering selecting the tender for the construction of a new school hall the resolution would be: “I move that Joe Bloggs (professional adviser on the construction of buildings while the Board decides on who the successful tender for the construction of the new school hall will beassist the Board.

Concerns and Complaints Procedure

INFORMAL: Most concerns can be resolved at this level

FORMAL LEVEL: Official investigation for serious complaints or concerns

Concerns and Complaints Procedure

All of Our Lady Star of the Sea School values, and particularly those of Tika- Justice and Manaaki-Respect strengthen the manner in which the school approaches any concern and complaint. A supportive environment where students, whanau, and staff members can register any complaint and feel confident that it will be handled in a fair and professional manner. We are of the view point that if people have concerns, they should express them without hesitation or fear. We believe that only by hearing from people, can we hope to continually improve what we do, particularly in terms of the curriculum, child management and safety.

Purpose: To receive and resolve complaints and concerns fairly, promptly and confidentially while considering the rights of all parties involved.

Guidelines

 - The issue will first be taken to the Team Leader
 - Then to the Deputy Principal responsible for that team.

Reporting to Parents Procedure

1. [Student, Parent and Teacher conferences](#)
2. Written reports assessing children's progress towards and achievement against Curriculum Levels will occur twice a year. Mid year (end of Term 2) and end of year (end of Term 4)
3. The set interview times do not prevent either teacher or parent initiating an interview should the need arise at any time.

Guidelines for reporting to parents

1. Written comments should be constructively stated in plain language for parents to understand
2. Comments will provide parents with the most up to date, honest information about children's learning and what their next steps need to be.
3. Reports should contain no surprises. If there are problems, issues or concerns regarding student learning or behaviour, these should be identified early and addressed before reporting time. Reporting should note actions and updates.
4. In the interview, parents and students should be put at ease. Students should be encouraged to talk about their goals and progress made towards these. Work samples and test results should be shared and explained. The teacher's role is to support the student in the learning conversation with their parent. If a child is not present, the teacher will lead the conversation.

The Catholic special character of the school|kura is safeguarded and strengthened.

Scoping

The board will be kaitiaki of the Catholic special character and Charisms of the Marist Fathers, Mission and Mercy Sisters, protecting, preserving, and sheltering this taonga (treasure) for future generations. The board, management and staff actively support and foster the Gospel values of Awhina (service), Manaaki (respect), Tika (justice), Ngawari (resilience) and Maia (courage) that the school|kura stands for, both in teaching and the behaviour they model. The wider school|kura community safeguards and strengthens an environment that enables Students|ākonga to develop the attributes, knowledge, and skills to become active and committed members of the faith community and contribute positively to the wider community. Students|ākonga will have the opportunity, within the context of their own culture to encounter Christ, grow in knowledge of Him and His Church, and to live a life of Christian witness.

Delegations

Responsibility and accountability for Catholic special character rests with the whole board, with no individual board member or committee having decision-making authority unless it has been delegated and documented. All sub delegations are approved by the board, as are revocations.

The Board delegates to the Principal|tumuaki leadership of Catholic religious practices and Catholic education.
